Madam:

Upon reviewing the above-identified patent, Patentee noted a typographical error which should be corrected.

In the Title Page:

The inventor's name is incorrectly spelled in both instances. The erroneous spelling is Kazunari Yamaguchi. The correct spelling is Kazunari Yamauchi (no "g"). The name was spelled correctly in all previous documents, including the Official Filing Receipt, Recordation of Assignment, and Issue Notification.

The error was not in the application as filed by applicant; accordingly no fee is required.

Applicants understand that the Director may, when appropriate, "issue a corrected patent in lieu [of a certificate] as a more appropriate form for certificate of correction." 37 CFR
